

March 10, 2009

Dear Demo Derby Participant:

Enclosed is an entry form for the 2009 Benton Franklin Fair & Rodeo's Demolition Derby, along with the rules for participation. Please make sure you read and understand all the rules and regulations – we will be adhering to them strictly.

The date for this year's Demo Derby is Monday, August 24, 2009. As always, the car numbers are assigned on a first-come, first-served basis, so the earlier you return your entry form and payment, the more likely it is you'll receive your 1<sup>st</sup> choice of car number.

**PLEASE NOTE: The entry fee for the demo derby includes two wristbands to the pit area: one for the driver and one for the pit assistant only. The entry fee for a powder puff driver includes one extra wristband for the driver only. There will be no additional wristbands sold. Others in your party will have to purchase tickets and be seated in the general seating section. Also, the wristbands will not allow you to enter into the general admission areas, but we will provide an area for those with wristbands to watch the races. Remember, the tickets go fast and to avoid any disappointments, it is recommended that you purchase general admission tickets prior to the event.**

Feel free to call the fair office if you have any questions and we're looking forward to another successful event!

Sincerely,

Benton Franklin Fair  
Demo Derby Committee
